Dear Regional Directors, Schools Divisions Superintendents,
 and our new partners from
 the Private Education Assistance Committee
 and Catholic Educational Association of the Philippines,

Thank you for supporting Security Bank Foundation's (SBFI) Ready, Set, Read

Ready, Set, Read (RSR) is Security Bank Foundation's educational response to
 the findings of global student assessments that Filipino learners lag in reading
 comprehension versus their international peers. Together with the Ateneo De

 developed free 20 educational videos based on based on DepEd's Most
 Essential Learning Competencies. To maximize the use of these videos, SBFI
 offers teachers a **Train, Teach Test** experience. These videos come with free
 trainings, free modules and free quality assured impact assessments that
 benefit both teachers and students.

To further expand our reach, we are again seeking your support through a
 letter of endorsement of RSR's remaining webinars whose dates have also

A critical component of all programs is impact assessment. In partnership with Ateneo de Manila University, SBFI have developed short English Reading student assessments that teachers training participants can voluntarily administer to their students. In return, SBFI will be giving monetary incentives to teachers who will have the:

- Most number of learners administered with the exam; and
- Highest average score of all learners administered with the exam provided average score is at least 80%.

Below is the schedule of the impact assessments. Teachers may have their students answer via online or printed exam with the link and templates to be provided by the Foundation immediately after the corresponding virtual elementary English teachers training per grade level.
