

Republic of the Philippines
Department of Education
Region III
SCHOOLS DIVISION OF BULACAN

March 4, 2022

TO: All Elementary and secondary School Heads under Selected Districts
(Through the District Supervisors)

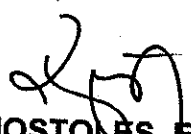

Attached for information and appropriate action is the letter from National Power Corporation on their invitation to attend on "Information and Education Campaign (IEC) for Angat Dam" on April 5 to 8, 2022 from 8:30 AM to 11:30 AM via virtual platform.

The target participants are 1 elementary and secondary school head, 1 elementary and secondary school DRRM Coordinator and 1 elementary and secondary school information officer of each school under selected districts listed on the attached letter.

Clarifications and other queries may be coursed directly to Mr. Pedro G. Lacap, PDO II, DRRM SGOD of this office through mobile number 09332411988.

For information, guidance, and compliance.

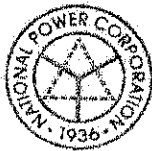

Very truly yours,

ZENIA G. MOSTOLES, EdD., CESO V
Schools Division Superintendent

MS. ZENIA G. MOSTALES, EdD, CESO V
Schools Division Superintendent
Department of Education - Bulacan
Malolos, Bulacan

THRU : **MR. PEDRO G. LACAP**
Project Development Officer II – DRRM

SUBJECT : **INFORMATION AND EDUCATION CAMPAIGN (IEC) FOR ANGAT DAM**

Dear **Ms. Mostales**:

Greetings!

The National Power Corporation (NPC) in coordination with the Philippine Atmospheric, Geophysical, and Astronomical Services Administration (PAGASA) will be conducting an Information and Education Campaign (IEC) on Angat Dam. The primary objective of this activity is to inform and to educate the people on the operation of Angat Dam which will include the NPC Dam Safety Program and flood forecasting and warning operation during flood season. This also aims to strengthen the capacity of LGUs to deal with flood-related hazards.

The IEC is scheduled on April 5-8, 2022 from 8:30 to 11:30am through virtual platform (Zoom/ Google Meet) with the meeting link to be disseminated a week prior the event. The target participants are the Heads/ Teachers involved in the School Disaster Risk Reduction and Management (DRRM) activities under Dep-Ed Bulacan (see attached schedule) particularly those situated near/ along Angat River which may be involved in the event of Angat Dam spilling operations.

In this regard, may we request for you or your representative to grace this event by delivering a Keynote Speech to the participants. In addition may we seek for your assistance on extending this invitation to the respective schools under your jurisdiction subject to this activity.

For further inquiries, you may contact Engr. Ken Trinidad of the Flood Forecasting and Warning System Division on 0939-907-2852 or through the email address: damsmgf.npc@gmail.com.

Hoping for favorable response regarding this activity. Thank you and best regard.

Respectfully,

SERGIO P. VILLAFUERTE
Manager, Dams Management Department

Cc: M.T.L. Serra – Manager, FFWS
