Join us in exploring the heritage and culinary culture of the historic city of Malabon. [Sign up now!](#)

Join us this Saturday, 30 April 2022, as we explore the rich culture and history of the City of Malabon in Grupo Kalinangan's first KaPamana Explorations activity this year! Known for its culinary treats and beautiful colonial architecture built from the 19th century, Malabon still stands out and proud as one of the relatively intact historic districts within Metro Manila. Architect and Malabon native Richard Tuason-Sanchez Bautista will tour us around the city for a whole day of exploration and delight.

REGISTER NOW TO RESERVE YOUR SLOT! The tour fee is PhP1,000/person. GKI members may avail of the discounted price of PhP800/person. The tour fee includes lunch, merienda, local transportation, and other fees. Tour participants will be taken around the city via airconditioned vans.
