MAY BATENGA ECLAR, PhD, CESO III
Regional Director
DepEd Region 3

Dear Dr. Eclar:

Greetings from the Aloysian Professional Community!

In conformity and adherence with DepEd Order No. 39, s. 2016, also known as Adoption of the Basic Education Research Agenda which sustains the department's progressive orientation by ensuring that actions are informed by sound and relevant evidence from research. Further, the department's research thrusts are strategically geared towards supporting its mission "to protect and promote the right of every Filipino to quality, equitable, culture-based, and complete basic education.

Hence, to support this department's mandate, Aloysian Publications is spearheading an international research conference whose main objective is to create space for the presentation of current results of scientific work in the field of education in different specializations. This welcomes studies on contemporary public administration, public economy, business, science, social, cultural, and other fields. The conference is also a space for creating collaborative links between academics and professional practitioners and their workplaces, aiming at long-term sharing of knowledge and discussions of highly current issues. This academic conference is also a meeting that researchers attend to present their findings and hear about the latest work within their respective fields.

In search of solutions to the educational challenges brought by the Covid-19 Pandemic, the Aloysian Publications (Philippines) in collaboration with BETMA English (Vietnam) organized the **1ST INTERNATIONAL MULTIDISCIPLINARY RESEARCH CONFERENCE** with the theme: **Digital Transformation and Adaptability Facing the Challenges of the Coronacane** slated on May 6-8, 2022 via Zoom Cloud Meetings.
