It is no longer enough that our children are in school, they should also be healthy and safe. It is no longer enough that they are taught, they should be engaged, supported, and challenged. It is no longer enough that they become responsible adults, they should be values-oriented. It is no longer enough that we go about our traditional fair share of work, we need to consciously champion education! And this, we hope to achieve as one community, moving together.

BAWAT PAARALAN * EDUKAMPYON

May 13 and 20, 2022
