SDO Bulacan, Department of Education

Dear Mr. Mostoles:

Greetings from the **Department of Information and Communications Technology Region III!**

The Technology for Education, Employment, Entrepreneurs, and Economic Development (Tech4ED) Project is a national digital inclusion initiative establishing eCenters that provide critical e-government and ICT-enabled services in communities with minimal or no access to information and government services.

As of March 2022, the project has established 4,898 self-sustaining facilities catering to the digital needs of the Filipino people, wherein 20 of which were established in schools under the Department of Education (DepEd) – SDO Bulacan.
