SUBJECT : **Survey to Participating Teachers for Production of a "Follow-up Activity Guideline"**

DATE : 7 July 2022

This has reference to the email from UNESCO Asia-Pacific Centre of Education for International Understanding (APCEIU) regarding the Survey on Participating Teachers for producing of a Follow-up Activities Guideline to Filipino Teachers who have participated from 2012-2021.

The Office of International Teacher Exchange is preparing to produce a *Follow-up Activity Guideline* based on various follow-up activities of teachers who have participated in the APTE programme.

Through this survey, it will guide teachers on promoting follow-up activities by subject (teacher/school) or type (class/club/after-school activities etc.). APCEIU will also select best practices through a survey and present it in their guidebook. The survey is significant in investigating the educational patterns that have changed since COVID-19 and follow-up activities after participating in the Online Educational Exchange Programme.

In line with the 10th anniversary of the Asia-Pacific Teacher Exchange Programme (APTE), the teacher's responses will be used as valuable materials for strengthening and improving the programme more firmly and substantially.
