Dear Sir / Madam:

We are pleased to invite you to the Virtual 20<sup>th</sup> Youth Congress for Information Technology (Y4iT 2022) on November 16, 17 & 18, 2022.

Y4iT 2022 marks an important milestone as we celebrate 20 years of inspiring future technology leaders. Since 2003, Y4iT has spawned innovative ideas, made the youth aware of emerging technologies, and inspired thousands to take advantage of opportunities offered by these innovations through discussions and mentorship. Y4iT has definitely positioned itself as the go to venue for learning, discovery and networking for the youth.

As we celebrate our 20<sup>th</sup> year, we look back at everyone that has helped shape what Y4iT is today. Our success is attributed to the dedication and diligence of all the volunteers, mentors, companies, and participants that made the last two decades meaningful and exceptional. Y4iT has inspired thousands of students and educators alike from across the country, bringing them together for days of discovery and learning.For more details, visit <https://web.upsitf.org> or contact us at landline no.
