Malolos City, Bulacan

Dear Sir/Madam:

Greetings!

The Institute for Climate Change and Environmental Management (ICCEM), College of Science (COS), Central Luzon State University (CLSU) is conducting the Commission on Higher Education (CHED) funded program entitled: *“Enhancement of the System for Agriculture and Fisheries Education through the Integration of Green and Remote Sensing Technologies Towards Food Security, Sustainability, Health and Safety of the Environment (SAFE>GRS>FOSHE)”*. The main objective of this program is to improve and transform the agriculture and fisheries education through extension by means of dissemination of green and remote sensing technologies to selected students, farmers, LGUs and local communities in Central Luzon using various promotional techniques and strategies.

In this regard, we would like to request for an approval to conduct activities such as *distribution and evaluation IEC materials* in selected elementary and secondary schools of the three (3) selected municipalities of Bulacan namely: San Miguel, Malolos City, and Meycauayan City starting from July to December of 2022.

Hoping for your kind consideration, understanding and favorable approval on our request.

Thank you very much

Very truly yours,

Gella Patria L. Abella
