4. The Special Science Elementary Schools Program aims to:

Republic of the Philippines
Department of Education
Region III
SCHOOLS DIVISION OF BULACAN

- a. provide a learning environment to the gifted and talented through special Mathematics and Science curricula which recognize multiple intelligences geared towards the development of God-loving, globally competitive, nationalistic, creative, ecologically aware, scientifically and technologically-oriented and skilled individuals who are empowered through lifelong learning skills;
 - b. provide the gifted and talented learners with avenues, opportunities and exposures for developing necessary skills and aptitudes;
 - c. capacitate school heads and teachers in implementing and managing SSES schools; and,
 - d. develop SSES program models for both the regular schools and SPED centers.
5. Presently, the 74 SSES implementing schools in the Schools Division produce SSES graduates who are encouraged to pursue the Science Technology and Engineering (STE) Program in junior high school and Science Technology Engineering and Mathematics (STEM) strand in the academic track of senior high school.
6. Wide and immediate dissemination on this memorandum is earnestly desired.
