To: Assistant Schools Division Superintendents

All Others Concerned

1. According to DepEd Order No. 34 s. 2022 on the School Calendar and Activities for SY 2022 - 2023, the transition to 5 days in-person classes presents learners with new stressors and challenges. This entails adjustment to the school environment, learning modality, and additional safety protocols, as well as managing the mix of pleasant and difficult feelings. Hence, providing psychosocial support during first week of the school year is imperative in promoting, protecting, and prioritizing the learners' socio-emotional well-being, and developing their coping skills for this transition. To realize this, SDO Bulacan through the Disaster Risk Reduction and Management Service shall conduct an orientation for Psychosocial Support Activities for teachers on August 12, 2022 at 8:30AM, via Facebook live and MS Team platform,
2. The activity aims to:
 - equip teachers and other personnel with competencies on psychosocial support activities;
 - orient the participants on how to conduct psychosocial support activities and other related activities to their learners; and
 - guide teachers in preparing action plan on psychosocial support activities.
3. The participants to this online orientation are all teaching and non-teaching personnel of public and private schools. It is expected that after this online orientation, school DRRM focal person, school guidance teachers, and school clinic teachers shall take the lead in planning/scheduling for the orientation of psychosocial support activities and conduct of related activities among learners during the first week of classes. Thus, an Action Plan on Psychosocial Support Activities is expected to be submitted to DRRM Unit at the Office of the School Governance and Operations Division on or before August 19, 2022.
4. Attached is Enclosure No. 1, Program of Activities, List of Resource Speakers, and Technical Team for reference.
5. For queries and clarifications, you may contact Mr. Pedro G. Lacap, Project Development Officer II, through cellphone number 09332411988.
