Dear Sir/Madam.

We hope this letter finds you safe and well.

As Meralco continues to find ways to reach out to our customers and partners, we are committed to help the Department of Education in ensuring the safety of our teachers, students, and school staff. In line with this, we respectfully request that we be given an opportunity to share our initiatives to help the schools prepare for the opening and resumption of face-to-face classes through a webinar, with a title *Balik-Eskwela 2022: Basic Electrical Safety, Energy Efficiency Tips and Introduction to Sustainable Technology through Solar Power*.

Being one with you in your theme: *"Tugon sa Hamon ng Ligtas na Balik-Aral"*, we wish to impart basic skills and knowledge on the following key topics:

1. *Electrical safety*
2. *Energy efficiency*
3. *Sustainable Technology through Solar Power*

We look forward to having a very fruitful and enlightening interaction with you, the public school principals, teaching and non-teaching staff.

This online webinar that will be coursed through Microsoft Teams Live will be held on August 18, 2022 from 9:00AM to 11:00AM.

An electronic invitation and link to the webinar will be sent accordingly.

Thank you and we look forward to this partnership with you.

Sincerely,

**NOEL S. PORCIUNCULA**

Senior Assistant Vice President and Head,  
Meralco Home and Microbiz  
Central Business Area
