**SCHEDULE OF PHASE 2 (ONLINE VALIDATION AND INTERVIEW) OF THE SEARCH FOR BEST INNOVATIONS IN EDUCATION**

1. With reference to Regional Memorandum No. 620, s. 2022, this Office, through the Regional PRAISE Committee and the Human Resource Development Division (HRDD) launched the **Search for the Best Innovations in Education** which shall serve as the highlight of the **2022 Education Innovation Conference (EIC)** on December 9, 2022.
2. The Search for Best Innovations in Education for the Schools Division Office (SDO) group involves two (2) levels: Elementary and Secondary for Best Innovations in Structure, and Content; and District/Cluster and Division levels for Best Innovations in Process. For the Regional Office, the categories are based on the different business processes of the functional divisions or units/sections.
3. To evaluate the entries and determine the winners of this Search, this Office tapped the services of an external board of judges composed of academicians and practitioners with expertise in innovation relative to the search categories.
4. Phase 1 of this Search included the evaluation of the Entry Write-up, required documents and video clips, and shortlisting of nominees based on the selection criteria.
5. The top 5 (SDO Group) and top 3 (RO Group) shortlisted entries in each category shall undergo the Phase 2 (Online Validation and Interview) which is scheduled on **November 26 and 27, 2022 via MS Teams** through the link <https://tinyurl.com/EIC2022Phase2>.
6. The online validation and interview primarily aim to assess the entry's actual innovative feature and information that could hardly be gauged through the documents submitted as stated in the innovation write-up and video clip.
7. Only one interviewee, preferably the proponent of the innovation/process owner, shall be allowed to answer the questions of the external board of judges.
