1. With reference to Regional Memorandum No. 679, s. 2022 supporting the initiative of the National Educators Academy of the Philippines (NEAP) to provide Professional Development Programs for the upskilling and reskilling of teachers and school leaders, this Office, through the Human Resource Development Division and the NEAP Region III, informs the Schools Division Offices about the list of **1,299 nominees** for the First Call of CY 2023 Southeast Asian Minister of Education, Organization, Innovation, and Technology (SEAMEO INNOTECH) Scholarship Programs.

2. SEAMEO INNOTECH offers four (4) Flexible Learning Courses (FLCs) titled: Strategic Thinking and Innovation Course 1 (Essentials of Strategic Thinking and Innovation); Strategic Thinking and Innovation Course 2 (Charting an Innovative School Strategy; Strategic Thinking and Innovation Course 3 (Leading and Sustaining Change); and Early Literacy for K3 Teachers. It also offers two (2) Massive Open Online Courses (MOOCs) titled Teach On: Keeping the Passion Alive and Becoming a Better Teacher Everyday.

3. For this Call, Region III has a total of 1,299 nominees who expressed their interest to the scholarship programs of SEAMEO INNOTECH. The breakdown of the number of interested participants are as follows:

COURSE	NUMBER OF NOMINEES
BECOMING A BETTER TEACHER EVERYDAY	360
EARLY LITERACY FOR K3 TEACHERS	311
TEACH ON: KEEPING THE PASSION ALIVE	362
STI COURSE 1	113
STI COURSE 2	87
STI COURSE 3	66
<b>TOTAL</b>	<b>1,299</b>

4. Contracts are one of the necessary documents that the nominees need to submit should they wish to continue on their scholarship program. In the contract, the nominee and immediate supervisor's signatures are needed. This may be any of the following: the scholar's School Head, EPSvr, PSDS, or SEPS-HRD. Cellphone-captured or cellphone-scanned copy of the contracts as well as the contracts whose only signatory is the nominee shall not be accepted.

5. The sample of the contract can be seen in this link: <https://tinyurl.com/R3SContract>. The nominees shall download this sample contract, fill in the necessary information, sign it, and have it signed by the immediate supervisor. Then, the nominees are requested to submit the scanned copy of their contract to their SDO Focal Persons. For work efficiency, the nominees or the SDO Focal Persons are requested to place the clear printer-scanned PDF copy of the signed contract in their proper folder (**SDO Folder inside the Course Folder**) until January 31, 2023 using this link: <https://tinyurl.com/SEAMEOContracts-R3>.

6. As stipulated in DM No. 082, s. 2020, and in the scholar's NEAP PDP Contract, scholars are expected to maintain academic standards and other course requirements of the program. Otherwise, scholars need to **refund in full** to DepEd such sums of money as may have been defrayed by the Philippine government for expenses incidental to having attended the program or course, for failure to comply with any of the foregoing conditions.

7. Registration fees will be paid by the NEAP Central Office (CO). MOOCs are worth 500 pesos per learner while FLCs ranges from 7,500 - 15,000 pesos per learner. In case of withdrawals and/or incompleteness, the same amount will be **refunded** by the Central Office from the participants themselves.

8. In this case, nominees listed in *Enclosures 1 to 6* are requested to finalize their **commitment** to the SEAMEO INNOTECH scholarship programs. Nominees listed below **are given until January 30, 2023**, to withdraw from their respective programs before their names are officially endorsed to the Central Office.

9. Any withdrawal made beyond the deadline shall not be accepted, thus, nominees shall be asked to refund the amount of each program. Withdrawal may be requested using this link: <https://bit.ly/WithdrawSEAMEO>. The nominees who will not accomplish the withdrawal link shall be considered as confirmed participants and shall be formally endorsed to the Central Office.

10. To provide equal opportunities to all, this Office only allows one course for every teacher or school leader. If the nominees are enlisted in two or more courses of SEAMEO INNOTECH, kindly withdraw the other courses and focus only on one course. The participants are requested to use the abovementioned link for withdrawal of other courses.

11. If the nominees insist on taking multiple courses and fail to accomplish their responsibilities, thus, having an incomplete participation/requirement in their courses, the participants will be accountable to pay the refund of unfinished courses.
