Division Advisory
No. 017 s. 2023

To: Assistant Schools Division Superintendents
CID Chief/SGOD Chief
Education Program Supervisors and Public Schools District Supervisors
Public Secondary and Elementary School Heads
All Others Concerned

From: The Office of the Schools Division Superintendent

Subject: **26th YOUTH MATHEMATICS, SCIENCE AND TECHNOLOGY FESTIVAL**

Date: February 10, 2023

Attached is Regional advisory No. 16, s. 2023, on the above subject, for information.

In compliance with DECS Order No. 28, s. 2001, this advisory is issued for the information of DepEd Bulacan District Offices, Schools, Officials and Personnel. The schools may participate in the cited activity on the basis of their own judgment, resources and time, without class disruption. In case student participation is requested it will be on strictly voluntary basis and with parent's written permit.

Subject : **26TH YOUTH MATHEMATICS, SCIENCE, AND TECHNOLOGY FESTIVAL**

Date : **February 7, 2023**

1. The Philippine Science High School Main Campus will conduct its 26th Youth Mathematics, Science, and Technology (YMSAT) Festival with the theme "*Sapat Dapat: Siyensiya, Agrikultura, Pananaliksik, at Teknolohiya para sa bayang malusog, ligtas, at masagana*" from **February 27 to March 3, 2023**, via online platforms.
2. The festival includes virtual talks, workshops, and competitions for teachers and students which aims to:
 - a. raise awareness of society's pressing issues on climate change, food security, and public health;
 - b. equip and enhance teachers with STEM skills that will help them navigate global STEM-related challenges; and
 - c. provide an opportunity for students to showcase their knowledge, creativity, and innovations.
3. Grades 5 and 6 students are also invited to participate in the *Tagisan ng Mathititik*.
4. Attached is the letter from the organizers, for reference. More information is available on their official Facebook page (<https://www.facebook.com/ymsat2023/>).
5. For concerns and inquiries, you may email Jerrica Gunda or Ralph Hipolito through email at ymsat2023@pshs.edu.ph.
6. For information.

31 January 2023

Dr. May B. Eclar
Regional Director
Department of Education-Region III
Maimpis, City of San Fernando, Pampanga

Dear Director Eclar:

We are excited to announce that the Philippine Science High School - Main Campus will be holding its 26th Youth Mathematics, Science, and Technology (YMSAT) Festival on February 27 to March 3, 2023. The theme of this year's festival is, "*Sapat Dapat: Siyensya, Agrikultura, Pananaliksik, at Teknolohiya para sa bayang malusog, ligtas, at masagana*". This year's theme celebrates the International Year of Millets which highlights the importance of science and technology in addressing food security amidst climate and public health concerns.

The second day of the festival (February 28), especially dedicated to guest teachers and students, consists of virtual talks, workshops, and competitions. These events aim to

- raise awareness of society's pressing issues on climate change, food security, and public health,
- equip and enhance teachers with STEM-skills that will help them navigate global STEM-related challenges,
- and provide an opportunity for students to showcase their knowledge, creativity, and innovations.

One of the activities that the students can participate in is the Tagisan ng Mathitnik, which is open to Grades 5 to 6 students. Attached is the invitation letter for your perusal.

We would be grateful if your office could encourage participation of students and teachers by issuing an advisory and promoting it in your region. Registration and admission to all activities of the festival are complimentary. If interested, more information is available on our official Facebook page (<https://www.facebook.com/ymsat2023/>) or the participants can email us at ymsat2023@pshs.edu.ph.

Thank you very much for considering our request and we hope to see your teachers and students at the festival. We are looking forward to your favorable response.

Sincerely,

Jelfica Ganda
26th YMSAT co-chair

Ralph Hipolito
26th YMSAT co-chair
