Dear Ma'am/Sir:

Greetings!

The **UP Agricultural and Applied Economics Circle (UPAAEC)** is a recognized academic organization based at the Department of Agricultural and Applied Economics, College of Economics and Management, University of the Philippines Los Baños and a member-organization of the Junior Philippine Economics Society (JPES). The organization advocates and supports agricultural and socio-economic initiatives by promoting Agricultural and Applied Economics as a field of study and career.

This year, in accordance with our purpose-driven objectives as an academic organization, we will conduct a scholastic competition for junior and senior high school students. **AgriKonomiya 2023** is a month-long event comprising five (5) competitions and one (1) seminar. In this regard, we humbly ask for your school's participation in our event. The event is open to all junior and senior high school students. Individual competitions for **AgriKonomiya 2023** (poster-making and essay writing) are free for the first entry per event and succeeding entries will be charged 50 pesos. Attached herewith are the details and program of the competition for your perusal.
