SUBJECT : **Orientation on Food Safety and Hygiene Awareness in School Canteens and Offices (Workplaces)**

Unsafe food is a threat to human health and economies, disproportionately affecting vulnerable and marginalized people, populations affected by conflict, and migrants. An estimated 420 000 people around the world die every year after eating contaminated food and children under 5 years of age carry 40% of the foodborne disease burden, with 125 000 deaths every year.

In this regard, the Central Luzon Center for Health Development will be conducting an **Orientation on Food Safety and Hygiene Awareness in School Canteens and Offices (Workplaces)** via **Online Cisco Webex** on **March 14, 2023 at 9:00-12:00PM**. This orientation aims to draw attention and inspire action to help prevent, detect and manage foodborne risks contributing to food security, human health, economic prosperity, agriculture, market access, tourism and sustainable development.

With this, participants may join the activity through the following:
