February 14, 2023

Dear _____

The Philippine Academy of Physicians in School Health, Inc. (PAPSHI) is pleased to have gathered physicians and individuals passionate in the practice of School Health and the holding of its 23rd Annual National Convention with the theme "Rising Up to the Challenge, Making Changes for Better Choices" on May 22-23, 2023 at Century Park Hotel Manila.

As educational institutions adapt up to a period of transition from the pandemic to a post-pandemic world, we are faced with new and old challenges and changes in what the best practices to be in schools, especially, and the learning. Staff school health personnel as well as the campaigns of reaching the government goals through the educational program. Thus, the committee has come up with:

1. Highlighting the learning opportunities and resources to be utilized and will bring the related concerns.
2. Present alternative models of learning health in the school environment.
3. Empower school communities to improve health and stress management skills and strategies.

It is requested that you, as **physicians, nurses, and all school health personnel** to read, sign, and return this letter.

February 16, 2023

Secretary Sara Z. Duterte
Secretary
Department of Education
1005 Metro Manila

for
S. of
P. 09021-60

Dear Sec. Duterte:

The Philippine Academy of Physicians in School Health, Inc. (PAPSH), a nationwide association of physicians with an advocacy for excellence in School Health, will be holding its 23rd Annual National Convention that would be held on May 22-23, 2023 at the Century Park Hotel Manila. The theme of the convention is: *Rising Up to the Challenge, Making Changes for Better Choices.*

An educational institution goes up to a period of transition from the pandemic to a gradual ascent to new normal. Schools are faced with challenges and choices to adopt the best practices for an effective, responsible, and safe learning. Still, school health remains to be a key component of realizing the success of every student's educational journey. Thus, the convention aims to:

1. Highlight how learning institutions can protect and nurture the health and well-being of the school community;
2. Present alternative modes of teaching health in the school communities; and
3. Empower school communities to become better and more competent educational institutions.

PAPSH ANC is held every May and attended by physicians with special interest in School Health, school health personnel and administrators of public and private educational institutions in the Philippines. For the past three years, the academy has been holding the convention virtually due to the COVID-19 pandemic. This year, PAPSH opens the event for face-to-face convening once again.

In this regard, we are humbly requesting a cordial message with an attached portrait photograph from your office for our upcoming convention which will be included as part of our convention program. Also, we would like to request for an endorsement from DepEd (DepEd Manila) for its delegates or participants in PAPSH's 23rd Annual National Convention.

Please see attached program and invitation letter for delegates.

Kindly respond to this request on or before February 28, 2023 through papsh.23anc@gmail.com or you may call 09396442385 / 09321782321 / 09162544330 (Dr. Cerubin) or 09176029165 (Dr. Capili)

We are fervently hoping for a positive response from your office.

Thank you very much.

Sincerely,

Ma. Zaida Yagessa M. Matibay, MD, FPAPSH
Chair, 23rd Annual National Convention

Noted by:

Ryan Jennie A. Cerubin, MD, FPAPSH
President, PAPSH, 2022-2023
