Re: Gokongwei Brothers Foundation STEM Collab Invitation to DepEd Region III Central Luzon

Dear Director Eclar:

Greetings from Gokongwei Brothers Foundation (GBF)!

Gokongwei Brothers Foundation is a family foundation dedicated to contributing to the country's progress by providing quality education to its future workforce, particularly in the fields of Science, Technology, Engineering, and Mathematics (STEM). Its Educators' Professional Development Programs aim to uplift the quality of STEM Education of Learners through building competencies of STEM Educators. One of its programs is STEM Collab, an engaged Community of STEM Educators and a Capacity-Building Program that provides free, bite-sized learning sessions. Topics are crowd-sourced and PPST-aligned.

This month, GBF STEM Collab will launch a Webinar Series entitled, "Learn How to Teach Science Investigatory Project (SIP)." The sessions will be live streamed via the GBF Facebook Page. Here are more details:

Topic 1:	Teaching the Essentials of SIP
Speaker:	Mr. Russell N. Gorre, Master Teacher II, Negros Occidental HS 5-time National Science & Technology Fair Winning Coach
Schedule:	May 20, 9:00-10:30 A.M Part 1 May 27, 8:00-9:30 A.M Part 2

Topic 2:	Best Practices in Teaching SIP
Speaker:	Prof. Ronilo V. Aponte, PhD, ScEd, former SIP Coach of Iloilo National HS, Associate Professor of Iloilo State University of Fisheries Science and Technology (ISUFST)
	8-time Intel International Science & Engineering Fair Delegate and National Science & Technology Fair Winning Coach
Schedule:	May 27, 10:00-11:30 A.M.

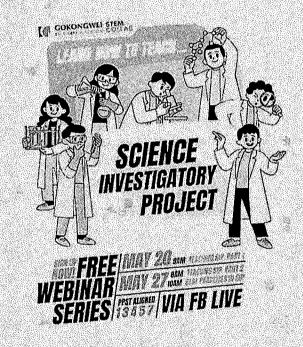

This three-part webinar series focused on teaching, designing, and presenting the SIP is aligned with PPST Goals 1, 3, 4, 5, and 7. The sessions are geared to prime Teachers and Learners for discovery and spark inspiration for their next noteworthy Science Investigatory Projects. Participants may also be part of our STEM Learning Community. They will receive certificates and gain access to downloadable materials that could be useful in their own classrooms and projects.

With this, we respectfully request kind assistance from the Office of the Regional Director in the activities mentioned below.

- Kindly distribute and disseminate information about this webinar to Schools Division Offices
 under your network. Please extend our invitation to Public and Private School High School
 Teachers, Science Club Advisers, and Science Investigatory Project (SIP) Coaches and
 encourage them to register and attend the sessions. Interested participants may register and
 join our community here: https://bit.ly/m/stemcollab.
- We would like to seek your permission to allow us to co-live stream the STEM Collab Webinars to your Official Facebook Page on the days of the sessions. This will enable more Teachers to benefit from and participate in the learning. We would appreciate it if you could connect us with your Facebook Page Administrator so we can make separate arrangements for this.

Complete information may be found in the poster below and in this Facebook post: <u>Learn How to Teach</u> <u>SIP</u>.

Thank you for receiving our invitation and considering our requests. Please let us know if we need to provide more information. You may reach me via email at candice.jungao@gbf.com.ph. We are hoping to receive a favorable response from you.

Together, let us build the future through education. Walang imposible para sa bayan!

Very truly yours,

செர்மாஜாக் Candice de Ausen-Jungao, LPT, MAEd
