The International AIDS Candlelight Memorial (IACM) is an annual commemoration to remember those people who have died of AIDS and to honor the people who have dedicated their lives in helping those living with and affected by HIV positive individuals. This is also the time to raise social consciousness about HIV/AIDS to address the stigma and discrimination.

This year, the 2023 International AIDS Candlelight Memorial will be celebrated on May 21, 2023 highlighting the stigma and self-stigma experienced by people living with HIV with the theme: **"Spread Love and Solidarity to Build Stronger Communities"**.

In line with this, the Office of Undersecretary for Operations, through the Bureau of Learner Support Services-School Health Division (BLSS-SHD), encourages all DepEd teaching and non-teaching personnel, student leaders and adolescent learners field offices to participate for the following:

1. posting of event banner and red ribbons, which is a symbol of AIDS awareness, in DepEd Offices and schools;
