GOOGLE I/O EXTENDED ROADSHOW BULACAN

This is to announce that Google Developer Group Philippines will be conducting a **free but limited slot**, Google I/O Extended Roadshow Bulacan on August 12, 2023, at Baliuag University, City of Baliwag.

The paramount objective of this event is to showcase cutting edge-technology with top industry experts and leaders. This is an exclusive opportunity to upskill on a variety of technologies: Machine Learning, Cloud, Web, and Analytics.

Interested participants may coordinate directly with the organizer for inquiries and further details about the event.

Google I/O 2023 Extended Bulacan Registration

Google I/O is Google's annual developer conference, where they share the latest products and technologies. GDG Philippines will bring the I/O experience to different cities through Google I/O Extended Roadshow, a series of talks and workshops to help professionals and tech enthusiasts deep dive in the new technologies announced during Google I/O 2023.

📅 Time & Date: August 12, 2023 Saturday

📍 Venue: Baliuag University

This is FREE; but slots are limited, so please sign up early! Filling up this form does not automatically register you to the event. Make sure to login using your Google account as we will be sending emails to confirmed participants at least a week before the event. Only registered and confirmed participants can be accommodated.

🚫 **NO SHOW POLICY:** Failure to attend and cancel five (5) days prior the event will affect your participation in future events.
