CECILIA S. CUSTODIO, PhD
SGOD Office Division Chief Supervisor - DepEd Bulacan

Greetings,

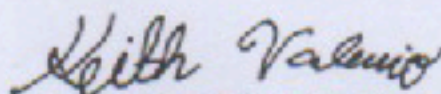

The **Bulacan State University Debate Society (BSUDS)** – pioneer debate organization in Bulacan and recognized by the Office of Student Organization (OSO) as **one of the Outstanding Organizations** within Bulacan State University (BulSU) – is an organization which aim to raise socio-political awareness and to spread critical thinking culture through debate and argumentation. Part of its legacy is to provide an avenue for students to develop their ability in reasonable judgment as well as their speaking skills, gearing them up to be heard.

Expanding upon this legacy and the organization's success in the previous year's biggest debate competition in Bulacan, and taking up the challenges brought by the pandemic and the new normal, BSUDS aims to once again conduct the **Bulacan High School Debate Championship (BHSDC)** next year. Further, BHSDC 2024 will take the theme "**Heritage in Motion**". The tournament, if so allowed, shall take place on **March 9-10, 2024** on the premises of **Bulacan State University- Main Campus**, welcoming aspiring debaters from various high schools within Bulacan. This friendly competition aims to promote debate culture in Bulacan by providing an avenue for students to speak up and speak out about a range of societal issues.

This letter is to humbly ask from your good office the **endorsement** of such a tournament to different schools within the Province of Bulacan.

Your support to Bulacan State University Debate Society in its endeavor for strengthening the thinking culture in our society is highly appreciated. Thank you.

Respectfully yours,

KEITH GABRIEL VALERIO
