Dear Sir/Madam:

In line with the current school program, we would like to request your good office to allow us to hold a 5 to 10 minute demonstration regarding Neem tree and Sunflower plant under your supervision. This initiative is with the intent to raise awareness and promote their medicinal and commercial uses.

Recent pharmacological analysis has confirmed the validity of folk use of these plants. Both the Neem tree and Sunflower plant has been used as traditional healer and alternative medicine that can cure common human ailments.

The Sunflower plant helps with common skin diseases, mouth problems and hypertension. Its extract contains analgesic and anti-pyretic activity as well. The Neem tree, at the same time, has been proven to repel home pests, specifically mosquitoes and termites.

In addition, we will provide the following as school complimentary:

- 50 BAGS OF GARDEN SOIL
- 200 PCS OF VEGETABLE SEEDLINGS / 10 PCS OF NEEM TREE

We understand that you will guarantee that this will not violate any guidelines set by the school committee. Looking forward to a fruitful relationship with your good office and thank you for providing us with this opportunity.

Respectfully,

[Signature]
Darwin A. Caico
Assistant Director for Marketing
