**DIVISION TRAINING WORKSHOP ON THE DEVELOPMENT OF LOCALIZED  
LEARNING MATERIALS FOR MATATAG CURRICULUM – QUARTER 1  
(KINDERGARTEN, GRADES 1, 4, AND 7)**

1. Last January 30, 2024, the Department of Education presented the Basic Education Report 2023 highlighting the present current challenges in different aspects and part of it is the new curriculum. A series of trainings had been conducted in preparation for the new curriculum to ensure a seamless implementation. Part of the MATATAG agenda is to “Make the curriculum relevant to produce competent, job-ready, active and responsive citizens”. As such, the Schools Division of Bulacan supports the MATATAG agenda through its flagship program, BULAKENYO. Recognizing the unique developmental stages and needs of pupils and students in Kindergarten, grades 1,4, and 7, the need to develop learning resources is essential to meet these diverse needs effectively. Thus, this entails additional supplementary materials to ensure the efficacious implementation of the MATATAG curriculum. Prior to the Division Training Workshop, the writers had undergone crafting of the localized learning materials that we carried out on March 2, 9, 16, & 23, 2024.

In view of this curriculum development specifically the progressive implementation of the MATATAG curriculum for Kindergarten, Grades 1, 4 and 7, the Schools Division Office of DepEd – Bulacan through the Curriculum Instruction Division announces the conduct of Division Training-Workshop on the Development of Localized Learning Materials for MATATAG Curriculum Quarter 1 (Kindergarten, Grades 1, 4 and 7) on April 2-5, 2024 at Redd and Green Manor Condotel, Dolores, San Fernando, Pampanga.

2. The activity aims to:
  - a. align with the learning competencies specified in the MATATAG Basic Education Curriculum for the crafting of learning resources in Kindergarten, Grades 1, 4, and 7;
