DIVISION MEMORANDUM

No. 203 s. 2024

SDO BULACAN ASPIRING LEADERS UPDATING SESSIONS FOR NQESH 2024 TAKERS

To: Assistant Schools Division Superintendent
CID and SGOD Chiefs
Elementary & Secondary School Heads
All Others Concerned

1. The Schools Division, through the Human Resource Development Section, demonstrates its commitment to supporting aspiring school leaders by providing online updating sessions for interested NQESH takers. These sessions will be facilitated by successful 2022 NQESH passers, offering valuable insights and proven preparation strategies.
 - Orientation: April 23, 2024, at 3:00 PM - 5:00 PM
 - Review Sessions: April 24, 26, 30, and May 2-3, 2024 (3:00 PM - 5:00 PM).
2. The official list of approved NQESH applicants from this Division is attached for reference (Enclosure No. 1).
3. The online updating sessions will be conducted via Microsoft Teams. The Division ITO section will manage the technical setup and facilitation. Participants will receive the online session link one day prior to the orientation via their registered email addresses.
4. The updating sessions are designed to empower NQESH takers with a comprehensive understanding of exam content, covering crucial knowledge areas and essential domains. This in-depth preparation will boost confidence and enhance exam readiness. Led by successful 2022 NQESH passers, the sessions will equip participants with proven strategies, time management techniques, and insights into common question patterns, maximizing their exam performance. Additionally, the collaborative format will foster a supportive learning community for aspiring school heads, allowing participants to connect with peers, share experiences, and build a valuable network of like-minded individuals committed to leadership development.
5. Participation in online updating sessions is highly encouraged for approved NQESH applicants. Those with conflicting class schedules should prepare meaningful activities for their pupils/students.
6. Immediate and wide dissemination of this Memorandum is desired.
