Minister, Basic, Higher and Technical Education, BARMM
Schools Division Superintendents
Public and Private School Heads

1. In line with the goal of delivering quality, relevant, inclusive, and responsive basic education, the Department of Education (DepEd) Curriculum and Teaching (CT) Strand, through the Bureau of Learning Delivery (BLD), will conduct the **2024 National Festival of Talents (NFOT)** with the theme, *Galing, Talino, at Husay ng mga Batang Makabansa sa Diwa ng MATATAG na Adhika* in **Region VII (Central Visayas)** on **July 9–12, 2024** (exclusive of travel time).
2. As provided in Republic Act (RA) No. 10533 titled **An Act Enhancing the Philippine Basic Education System by Strengthening Its Curriculum and Increasing the Number of Years for Basic Education, Appropriating Funds Therefore and for Other Purposes** and DepEd Order (DO) No. 021 s. 2019 titled **Policy Guidelines on the K to 12 Basic Education Program**, NFOT serves as a clear and proactive reinforcement of the teaching and learning process, reflecting the significant association between what the learners learned in school and what they actually performed and produced during this activity. Consistent with the Department's dedicated efforts to producing functionally literate and holistically developed Filipinos, all NFOT events are aligned with the essential learning competencies and standards of the K to 12 curriculum.
3. DepEd is expected to help achieve the much-needed protection and preference of local creatives and products, with the passing of RA 11904, also known as the Philippine Creative Industries Development Act. For this reason, NFOT shall contribute toward the goal of enhancing learners' competence in creative industries.
4. NFOT is a DepEd annual co-curricular activity that provides meaningful learning opportunities for basic education learners to display their talents and skills anchored on the learning competencies achieved in schools. It guides learners on which career path to take relevant to the four curriculum exits (higher education, middle-level skills development, entrepreneurship, and employment) of the Enhanced K to 12 Basic Education Program. Likewise, NFOT serves as a culminating activity of gauging learning mastery and skill development in accordance with learning standards.

5. NFOT supports the MATATAG agenda: **MA**ke the curriculum relevant to produce competent and job-ready, active, and responsible citizens; **TA**ke steps to accelerate delivery of basic education facilities and services; **TA**ke good care of learners by promoting learner well-being, inclusive education programs and ensuring that all learners, regardless of background, have access to quality learning opportunities and services; and **GI**ve support to teachers to teach better.
6. Participants in NFOT are learners from public and private elementary and secondary schools who will showcase their talents and skills and explore the culture of the host region. Together with their respective teacher-coaches during NFOT, they shall listen to the invaluable insights to be shared by the invited panel of experts after their performance; thereby, strengthening the teaching and learning of target learning competencies.
7. Participation in the 2024 NFOT is **voluntary** and shall not, in any way, affect the time-on-task of teachers as this activity's target learning standards and competencies are already embedded in teachers' actual classroom teaching and assessment process.
8. Since this activity falls on the end-of-school year break (EOSY), five-day service credits shall be granted to all participating teacher-coaches in accordance with DO 53, s. 2003 titled Updated Guidelines on Grant of Vacation Service Credits to Teachers.
9. To ensure the safety, health, and well-being of all NFOT participants and delegates, strict observance of minimum health protocols shall be implemented within all activity premises.
