This is to announce the conduct of **Phase 3 of the Research Caravan version 2.0** – the provision of technical assistance to DepEd Bulacan researchers with validated research for the completion of their research outputs. Phase 3 will complete the first cycle of the Research Caravan v. 2.0. The activity also supports the DepEd Bulacan Research Management Program: Towards a Research Culture of Quality, Integrity, and Collaboration.

The technical assistance will focus on the finalization of research outputs. Technical assistance for finalizing research outputs will be provided remotely by the research mentors assigned during Phase 1 (SaliksiKalakbay). This assistance will be available from August 16-23, 2024. Following this period, hard copies of the final research outputs should be submitted between August 27 and August 29, 2024.

To prepare for this, a **SaliksiKumustahan** virtual meeting with researchers, research mentors, District Research Advisers, and Coordinators will take place on August 14, 2024, at 1:00 pm via MSTeams. The link to this meeting will be posted in the District SaliksiKalakbay group chats.

Attached to this letter is the list of researchers whose validated research is ready for finalization, along with their respective mentors. Researchers whose validated research is not included in the attached list should seek additional technical assistance from the Planning and Research Unit.

Dissemination of the contents of this letter to all concerned is desired.
