Select ESM Teachers  
All Others Concerned

1. SDO Bulacan through **PROJECT: Teacher-Learn-and-Improve** aims to identify strengths and weaknesses by gaining insights into the current state of education and identify areas that need improvement; benchmark against global standards by comparing the performance of Filipino students with their peers worldwide to understand where they stand on a global scale; develop targeted interventions by using the data to create targeted interventions and policies that address specific educational needs and improve learning outcomes; enhance teacher training by improving teaching skills and methodologies to better prepare students for future assessments and real-world challenges; and, promote holistic development by fostering critical thinking, problem-solving, and decision-making skills in learners to prepare them for lifelong learning and active participation in society. Overall, the goal is to cultivate a more effective and equitable education system that equips students with the skills needed to thrive in the 21st century. To realize this, there will be a SIX-WEEK project implementation from January 27 to March 7, 2025 by select English, Science and Math teachers at Dr. Felipe de Jesus National High School, Plaridel and Virginia Ramirez National High School, Pandi, Bulacan.

2. This activity aims to:

- provide continuous professional development for teachers to adopt innovative teaching methodologies and technologies;
- implement learner-centered pedagogical approaches to foster active learning and engagement;
- upgrading school facilities and technological infrastructure to create an interactive and digital learning environment; and,
- encourage partnerships with external stakeholders to support education initiatives.

3. School heads of concerned ESM teachers are expected to arrange the class schedules of these teachers that maybe affected due to the participation of these teachers in the implementation of this project in compliance to
