Dear Dr. Esteban:

Greetings from the University of Santo Tomas Conservatory of Music!

I am writing to formally inform your office of **Revival of the UST Summer Music Camp and Festival in Pulilan, Bulacan** on April 24 to April 27, 2025. The UST Summer Music Camp has been a cherished tradition of the UST Conservatory of Music since its inception in 1988. It has played a vital role in nurturing musical talent, fostering cultural exchange, and promoting lifelong learning through music. However, the COVID-19 pandemic disrupted this tradition, leaving a void in the musical development of our students and the broader community.

One of the aims of the UST Summer Music Camp and Festival is to provide Professional Development for MAPEH Teachers. Addressing the gap in formal music training among many MAPEH teachers, there will be a 3-day workshop on fundamental music theory, sight-singing, choral conducting, music technology, and effective teaching strategies aligned to the MATATAG Curriculum. In addition, all workshop attendees will participate in the closing concert program of the UST Summer Camp and Festival. Lastly, as an outreach program, there will be **NO** registration fee for the teachers' workshop. The proposed venue of the camp will be at Pulilan Central School and Bajet-Castillo High School.

In this connection, may I invite the participation of MAPEH teachers in Pulilan, Bulacan? We can accommodate a maximum of 50 to 60 teachers from Grade 1 to Grade 10. We are confident that with your support, the UST Summer Music Camp and Festival will continue to be a beacon of musical excellence and cultural pride for the University of Santo Tomas and the communities it serves.

Thank you very much for your time and consideration. We look forward to your positive response and are eager to discuss the proposal further at your convenience. Please feel free to contact Assoc.
