GRADUATION MESSAGE

My heartfelt congratulations to all of you my dear Graduates/Completers on this momentous occasion!

As proud Bulakenyos, we are heirs to a rich legacy of heroism, wisdom, and resilience. From the bravery of Marcelo H. del Pilar and Gregorio del Pilar to the unwavering patriotism of Mariano Ponce, our province has always been at the heart of shaping the nation's future. Today, you—our graduates and completers—carry the torch of this great tradition. This year's theme, "Henerasyon ng Pagkakaisa: Kaagapay sa Bagong Pilipinas" reminds us that success is not achieved alone. True progress happens when individuals come together, united by a shared vision for a better nation. Your education is not just for personal success but also a vital contribution to the development of our society.

As you move forward, may you embody the courage, intelligence, and compassion that define a true Bulakenyo. Be bold in pursuing your dreams, be wise in making choices, and always carry the spirit of service in your heart. Let your achievements be a source of inspiration, not just for yourselves but for your families, your community, and the entire country. On behalf of the Schools Division of Bulacan, I extend my warmest congratulations to all graduates, completers, parents, teachers, and stakeholders. It is my prayer that you continue to be active partners in building a stronger, more united, and progressive Philippines. May the good Lord strengthen your hearts and bind you in unity and purpose.

Mabuhay ang bagong henerasyon ng mga Bulakenyo!
