This event will take place on May 05, 2025, where approximately 70 delegates from their SDO and affiliated schools will visit the SDO Bulacan.
2. The activity includes a presentation highlighting the best practices of SDO Bulacan in the fields of Science and Mathematics, specifically emphasizing Science and Math Investigations. Additionally, delegates will visit three select schools, namely Virginia Ramirez National High School, Pandi; Maronquillo National High School, San Rafael; and San Miguel National High School, San Miguel, providing them with the opportunity to engage with school leaders and key staff members while observing student outputs firsthand.
3. Participants in this activity are members of the top management, education program supervisors in charge of Science and Mathematics, and select unit heads and personnel from SGOD, CID, and OSDS.
4. Meal expenses incurred during their visit to the Division Office shall be charged to Division MOOE, while expenses of those select schools to be visited shall be charged to any available local funds, subject to usual accounting and auditing rules and regulations.
