This is to announce that the PDF copy of *Buklod: A Curated Collection of Research Briefs* is now available for access on the DepEd Bulacan website under the Publications tab (<https://bulacandeped.com.ph/buklod/>).

This maiden volume of the collection contains the research abstracts of studies completed by DepEd Bulacan researchers in FY 2024. The collection aims to enhance the accessibility of research-based resources, empowering teachers, school leaders, and other education stakeholders to utilize these findings to support evidence-informed decision-making and improve educational outcomes.

Teachers, school leaders, and education stakeholders are strongly encouraged to access this valuable resource by visiting the DepEd Bulacan website. To maximize the impact of *Buklod*, a coordinated effort will be undertaken to promote the collection and provide guidance on the effective use of the research briefs. Collaboration and dialogue among stakeholders are likewise encouraged to ensure the meaningful application of the research findings in the field.

Wide dissemination of the contents of this memorandum to all concerned is hereby enjoined.
