

Republic of the Philippines  
Department of Education  
Region III  
**SCHOOLS DIVISION OF BULACAN**

June 30, 2025

To: Division Chiefs  
Education Program Supervisor  
Public School District Supervisors  
Elementary / Secondary School Heads  
School Mathematics Coordinators  
All Others Concerned

In support of the Department's continuous effort to improve Mathematics proficiency among learners, the Schools Division of Bulacan will conduct an **Online Orientation on the Implementation of Rapid Mathematics Assessment (RMA)** for Key Stages 2 and 3 on **July 4, 2025 (Friday) at 2:00 PM** via Microsoft Teams.

This orientation aims to:

1. Present the objectives and procedures of the RMA implementation for both Elementary (Grades 4-6) and Junior High School Levels (G7-10)
2. Equip Mathematics coordinators and focal persons with the necessary knowledge and tools to administer the RMA effectively.
3. Address concerns and clarify roles and responsibilities at the school level.

Participants to this activity are District Math Advisers for the Elementary Level and Head Teachers/Math Coordinators in the Secondary Level, they are requested to attend promptly. The link to the online session will be sent through official communication channels and group chats. For your guidance and widest dissemination.
