DR. RONNIE S. MALLARI, CESO V

Regional Director, DepEd Regional Office III

Diosdado Macapagal Government Center, Maimpis, San Fernando, Pampanga

Dear Dr. Mallari,

Greetings in the name of inquiry and innovation!

This **November 27-29, 2025**, La Consolacion University Philippines (LCUP) will be hosting its **6th International Conference on Interdisciplinary Research Innovations (ICIRI 6.0)** via Hybrid Modality at the BarCIE International Center, La Consolacion University Philippines, City of Malolos, Bulacan.

Anchored on this year's theme, **"Uniting Disciplines, Transforming Societies: Research and Innovation Beyond Boundaries,"** ICIRI 6.0 anchors on the vital need for multi- and interdisciplinary collaboration in advancing the common good. This year's conference highlights how breakthroughs often emerge at the intersections—where disciplines converge, perspectives are shared, and collective goals take precedence. In alignment with the United Nations Sustainable Development Goals (SDGs), the conference seeks to be a platform for scholars, innovators, and practitioners to work together in generating socially relevant, inclusive, and sustainable solutions to pressing local and global challenges. Going beyond traditional academic boundaries, **ICIRI 6.0 celebrates research that is responsive to real-world needs and directed toward building a just, equitable, and sustainable future.** At its core, *Uniting Disciplines, Transforming Societies* is more than a theme—it is a call to reimagine research as a shared responsibility—one that crosses borders and sectors in pursuit of knowledge that truly serves humanity and contributes meaningfully to the achievement of the SDGs.

In line with this, we respectfully seek the endorsement of your esteemed office to **encourage participation from DepEd Schools, especially in Region III.** With the continued support of DepEd in promoting research and innovation, we are confident that this initiative can reach a wider and more diverse audience, further strengthening a vibrant and transformative research culture across disciplines. The details of the upcoming ICIRI 6.0 is as follows:

Submission of Abstracts:	May to September 2025
Registration Proper:	Starts on October 1, 2025
Registration Deadline:	Until October 31, 2025
