The Department of Education recognizes the value of experiential learning as a holistic learning model through which the learner develops mastery of target competencies by first obtaining conceptual understanding, followed by its application to authentic situations, and finally reflection on the experience gained. In support of this learning process, relevant off-campus activities are being implemented. In connection with this, SDO Bulacan is inviting all interested and qualified service providers to attend a meeting/orientation to discuss the Implementing Guidelines on the conduct of Off-Campus Activities on November 7, 2025, 9:00 a.m. at SDO Bulacan Conference Hall. The meeting aims to discuss the following:

1. Guidelines and requirements for participation as a service provider;
2. Tour Package details and safety considerations;
3. Submission of proposals and selection procedures;
4. Other related matters

Attendance to this meeting is highly encouraged to ensure full understanding of the guidelines and procedures related to the educational tour activity.
