Greetings in the holy name of Jesus!

We, at the **R Angel Music and Arts Talent Center**, headed by **Ms. Connie Iglesias San Jose**, are conducting shows and events in different public and private establishments especially in schools/academe. We are also conducting a talent workshop for the youths who aspires to become theater actors and actresses.

We humbly request your good heart to allow us to continue our project for a cause by having a show in different public and private schools in the province of Bulacan. With these shows, we will get the theme from the Philippine motto which is **Maka-Diyos, Maka-tao, Maka-kalikasan at Maka-bansa**. Through these value-oriented theatrical shows, indie films and other performances, we can have a show that can inspire every student to spread the culture of artistry among our youth and being a project with a cause, help our beneficiaries and fellow kababayans.

This Advocacy Project aims to generate enough financial support and incentive to our beneficiaries from the amount of *One Hundred Fifty Pesos (150.00php)*. We can utilize this *Project for a Cause* to help and give back to our Beneficiaries and the community.

In line with this, we can also give chance for students to have a **free acting workshop** and **free livelihood programs** for their parents such as *meat processing, fashion accessories making, basic baking, and more for free* that can help them to learn and utilize their skills to start a simple business.

Looking forward to your positive response. Rest assured that we will acknowledge all your kindness, considerations, and generosity through our advertising mileage.

Sincerely yours,

Dear Dr. Valderama:

I hope this letter finds you well and in good spirits!

This is to respectfully endorse the request of **R Angel Music and Arts Talent Center** headed by **Ms. Connie San Jose** to have an appointment with you to discuss the possibility of spreading their advocacy to the students about the culture of artistry. This will be done through value-oriented educational films, theatrical performances, and other artistic presentations designed to inspire creativity, discipline, and character development.

We believe that this initiative aligns well with the goals of holistic student development of the Department of Education and supports the integration of arts and values education in a meaningful and engaging manner. Their programs not only provide artistic exposure but also instill important life lessons that can positively shape the character and mindset of our youth.

With that, I respectfully look forward to your appropriate action and response to their request, subject to your department's policies and regulations.
