Dear Sir/Madam:

We at Pag-IBIG Fund feel your need in finding a high-earning, secure, and convenient savings program where you can entrust and grow your hard-earned funds.

May we offer you and your employees our **MODIFIED Pag-IBIG II (MP2) Membership Program.**

Your MP2 savings is government-guaranteed up to the full amount, and the dividends earned is tax-exempt, thus assuring you of the maximum return in the funds you saved with us.

Other salient features of the MP2 include the following:

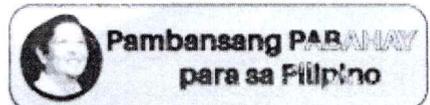

- The MP2 is open to all active Pag-IBIG Fund members, and former members such as retirees and pensioners.
- Saving can be done one-time, or at any time you wish to add to your savings fund. For periodic savings, you may arrange with your Human Resource/Payroll Unit for the automatic deduction of the MP2 savings from your monthly salary. The minimum amount is Php500.
- At the option of the MP2 saver, dividends may be received annually, or after the 5-year maturity period at the compounded amount along with the principal savings

We hope that you could share this opportunity to your employees so they can already start saving and earning in the MP2. For convenience, we assigned our Marketing Officer, Angela A. Monter, who you may reach at (044) 794-2166, (02) 8422 3000 loc. 6168 or malolos.me@pagibigfund.gov.ph to assist you and your employees in knowing more about the program.

Save BIG, Earn BIG! Enroll in the Pag-IBIG MP2!

Very truly yours,

Emmanuel Zosimo G. Orcine
