3. This assessment will be conducted to address the gap in systematic data on the competence of Key Stage 4 (Grades 11 and 12) in literacy and numeracy, since at present, the literacy and numeracy assessments by DepEd are only concentrated in Key Stages 1-3 (Kinder to Grade 10).
4. To address this concern, the DepEd, through the Bureau of Education Assessment (BEA), shall administer the Senior High School Literacy and Numeracy Assessments (SHS LNA) to Grade 11 students in all stand-alone SHSs, private and public secondary schools offering SHS in Quarter 4 of the School Year 2025-2026. These assessments shall be used to determine the literacy and numeracy levels of Grade 11 students and to inform about the implementation of the remediation activities.
