

**3rd INTERNATIONAL CONFERENCE ON
SUSTAINABILITY, INNOVATION, AND
FUTURE TECHNOLOGIES**

21st - 22nd August, 2026
Boracay, Philippines

INVITATION LETTER

Republic of the Philippines
DEPARTMENT OF EDUCATION
Schools Division Office of Bulacan

ADVISORY
No. 043, S. 2026

To:

PUBLIC PRIVATE PSDS
 ELEMENTARY _ JUNIOR HIGH SCHOOL _ SENIOR HIGH SCHOOL
 ELEMENTARY SCHOOL PRINCIPALS / SCHOOL HEADS
 SECONDARY SCHOOL PRINCIPALS / SCHOOL HEADS

For information.

CECILIA E. VALDERAMA, PhD, CESO VI
Schools Division Superintendent

To,

Dr. Cecilia E. Valderama, CESO VI
Schools Division Superintendent
DepEd SDO Bulacan, City of Malolos, Bulacan

Thru: **Dr. Rainelda M. Blanco, Chief, SGOD**

Attention: **Dr. Jay-Arr C. Tayao**
Education Program Supervisor, SGOD
Supervisor In-Charge of Innovation Management

Dear **Dr. JOY GRACE P. DOCTOR, Ph. D,**

Warm greetings!!

On behalf of **ZEP Research** in collaboration with **Sulu State University, Polytechnic University of the Philippines, Asia-Pacific Society of Educators, Researchers and Professionals (Philippines), and FEATI University – College of Business (Philippines), Iloilo State University of Fisheries Science Technology (ISUFST), Philippines and Aklan State University.** we formally invite **DepED - Schools Division of Bulacan, Philippines** to collaborate with us as an Academic Partner/Co-Organizer for our upcoming **3rd International Conference on Sustainability, Innovation, and Future Technologies (3rd ICSIFT).** The conference will be held on **August 21–22, 2026 in Boracay, Philippines.**

The conference will be hosted at the prestigious **Astoria Current, Sitio Mangayad, Brgy. Manoc-Manoc, Station 3, Malay, Boracay Island, Aklan, Philippines,** providing a vibrant and inspiring setting for academic exchange and collaboration.

This conference aim to bring together academicians, researchers, industry experts, and scholars from diverse disciplines to exchange innovative ideas, present high-quality research, and foster global academic collaboration. We believe that the esteemed reputation and academic excellence of **Mariano Marcos State University** would significantly enhance the academic quality and international outreach of this event.

Under this collaboration, the university may contribute by nominating committee members, session chairs, and keynote speakers, promoting the conferences within its academic network, and participating in joint academic initiatives as mutually agreed. We are open to discussing the scope of collaboration to ensure mutual benefit and a long-term partnership.

**3rd INTERNATIONAL CONFERENCE ON
SUSTAINABILITY, INNOVATION, AND
FUTURE TECHNOLOGIES**

21st - 22nd August, 2026
Boracay, Philippines

We are also pleased to inform you that the conference has received **Endorsement** from the **Philippine Association of State Universities and Colleges (PASUC)**, highlighting its academic credibility and global recognition.

Additionally, we are sending you the ZEP Proposal and Memorandum of Understanding (MoU) for your review.

For more details about the conference, please visit our official website:
<https://icsift.com/>

We sincerely look forward to establishing a meaningful academic association with your esteemed institution and would be pleased to arrange a meeting at your convenience to discuss these opportunities further.

Thank you for your time and consideration.

With sincere regards,

Dr. Drs. Djuwari, M.Hum
Organizing Committee ICSIFT 2026

Invitation Letter

Dr. Jay-Arr C. Tayao
Education Program Supervisor, SGOD
Supervisor In-Charge of Innovation Management

Dear **Dr. Jay-Arr C. Tayao**,

Warm greetings!!

On behalf of **ZEP Research, Sulu State University, Polytechnic University of the Philippines, Asia-Pacific Society of Educators, Researchers and Professionals (Philippines), and FEATI University – College of Business (Philippines), Iloilo State University of Fisheries Science Technology (ISUFST), Philippines and Aklan State University**, we are pleased to formally invite you to serve as an **Advisory Board Member** for the **3rd International Conference on Sustainability, Innovation, and Future Technologies (ICSIFT)**, to be held on **August 21st - 22nd, 2026**, at **Boracay, Philippines**

ICSIFT aims to bring together academicians, researchers, industry experts, and policymakers to discuss sustainability- driven innovation, emerging technologies, and forward-looking research that address global challenges.

In recognition of your distinguished academic background, research excellence, and professional contributions to your field, we believe your association as an Advisory Board Member would greatly strengthen the academic quality, credibility, and international impact of the conference. Your valuable guidance and strategic insights would play an important role in shaping the conference direction and maintaining high scholarly standards.

As a member of the Advisory Board, your role would primarily involve providing academic guidance, supporting the promotion of the conference within your professional network, and offering strategic suggestions to enhance the overall success of the event.

Further details regarding the conference program and responsibilities will be shared upon your kind acceptance.

We would be truly honored by your acceptance of this invitation and look forward to your esteemed association with ICSIFT 2026.

With sincere regards,

**Dr. Drs. Djuwari, M.Hum Organizing
Committee, ICSIFT 2026**

20th - 21st August, 2026

PASUC ADVISORY NO. 079, s. 2026

For : All SUC Presidents/Heads

From : Dr. Tirso A. Ronquillo
President

Subject : **3RD INTERNATIONAL CONFERENCE ON SUSTAINABILITY,
INNOVATION, AND FUTURE TECHNOLOGIES (ICSIFT 2026)**

Date : April 14, 2026

This is to endorse the 3rd International Conference on Sustainability, Innovation, and Future Technologies (ICSIFT 2026), co-organized by ZEP Research and Sulu State College (SSC) in partnership with Polytechnic University of the Philippines (PUP), Iloilo State University of Fisheries Science and Technology (ISUFST), Far Eastern Air Transport Incorporated University (FEATI U) and Asia Pacific Society of Educators, Researchers and Professionals (APCORE). With the theme "*Sustainable Innovation: Bridging Technology and Environmental Stewardship*," the event will be held on August 21-22, 2026, in Boracay, Malay, Aklan.

The conference will bring together researchers, scientists, academicians, industry experts, policymakers, and practitioners from across the globe to exchange knowledge, showcase innovations, and strengthen global academic and research partnerships. ICSIFT 2026 aims to promote interdisciplinary research and collaboration in the following key areas: sustainable development and environmental technologies; artificial intelligence, data science, and emerging technologies; engineering innovations and smart infrastructure; management, economics, and sustainable business practices; science, technology, and future innovations; and social sciences, education, and policy for sustainability. It supports the global initiatives aligned with the Sustainable Development Goals (SDGs) and promotes knowledge exchange, innovation showcases, education and awareness, network building, and global impact. It promises to be an inspiring platform demonstrating how new technologies can drive a more sustainable future for our planet.

The organizers have extended the deadline for abstract submissions until May 12, 2026. Presenters and interested participants may pre-register and access full event details by visiting the event's official landing page at <https://www.icsift.com/>.

For your reference and guidance, the event briefer is enclosed. For further inquiries, your office may contact the organizers via email at info@icsift.com.

Welcome Message

Introduction

Zep Research is a global leader in advancing academic excellence and fostering innovation. Specializing in organizing impactful conferences, research initiatives, and collaboration opportunities, Zep Research creates dynamic environments where researchers, academics, and industry professionals come together to share knowledge, exchange ideas, and collaborate on groundbreaking work across various industries.

About the Conference

Theme: "Sustainable Innovation: Bridging Technology and Environmental Stewardship"

The 3rd International Conference on Sustainability, Innovation, and Future Technologies 2026, taking place in the vibrant city of Boracay, Philippines, aims to engage in discussions and identify how and where sustainability, technological innovation, and industrial futures intersect.

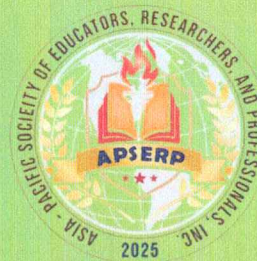

From 21st to 22nd August, 2026, ICSIFT will gather experts from every sphere to speak on innovative research, eco-friendly solutions, and technological advancement.

The conference involves keynote addresses, panels, and practical workshops to advance knowledge and start partnerships to promote sustainable development. With an emphasis on practical, scalable solutions and forward-thinking research, ICSIFT 2026 promises to be an inspiring showcase of how new technologies are going to drive a more sustainable future for our planet.

Value

Useful for academics, researchers, and professionals looking to present work or engage in sustainability/technology discussions.

Our Vision & Mission

Movement Goal

Vision

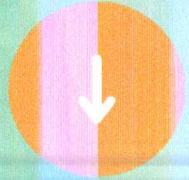

Connect with like-minded professionals and thought leaders to spark new ideas, collaborations, and opportunities for joint projects.

Mission

The Conference on Sustainable Development aims to bring together leading researchers, policymakers, and industry experts to share knowledge, discuss challenges, and forge partnerships that will drive forward the global sustainability agenda.

The International Conference on Sustainability, Innovation, and Future Technologies (ICSIFT) is the ideal platform for exploring transformative solutions and advancing sustainable technologies.

Who Can Attend

Academicians & Researchers

Present your research, exchange knowledge, and collaborate with peers to advance sustainable technologies.

Industry Professionals

Explore innovative solutions and technologies that can drive sustainable growth in your industry.

Policymakers & Government Officials

Gain insights to develop and implement policies supporting sustainability and technological innovation.

Entrepreneurs & Startups

Discover new trends, technologies, and collaboration opportunities to fuel sustainable business growth.

Students & Emerging Scholars

Learn from experts, showcase your research, and build networks to kickstart your career in sustainability and innovation.

Environmental Advocates & NGOs

Connect with innovators and explore strategies for driving sustainable change in communities and organizations.

Call for Paper

01

Sustainable Development and Environmental Technologies

- Renewable Energy Systems and Green Technologies
- Climate Change Mitigation and Adaptation
- Sustainable Agriculture and Food Security
- Environmental Management and Policy
- Circular Economy and Waste Management

03

Engineering Innovations and Smart Infrastructure

- Smart Cities and Urban Development
- Civil, Mechanical, and Industrial Engineering Innovations
- Advanced Materials and Manufacturing Technologies
- Transportation and Mobility Solutions
- Sustainable Construction Technologies

05

Science, Technology, and Future Innovations

- Biotechnology and Life Sciences Innovations
- Nanotechnology and Advanced Scientific Research
- Healthcare Technologies and Medical Innovations
- Space, Defense, and Advanced Research Technologies
- Interdisciplinary Scientific Innovations

02

Artificial Intelligence, Data Science, and Emerging Technologies

- Artificial Intelligence and Machine Learning Applications
- Big Data Analytics and Predictive Modeling
- Internet of Things (IoT) and Smart Systems
- Robotics and Automation
- Blockchain and Cybersecurity

04

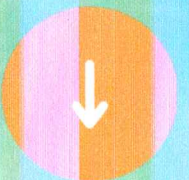

Management, Economics, and Sustainable Business Practices

- Sustainable Business Models and Entrepreneurship
- Green Finance and Economic Development
- Sustainable Management and Digital Transformation
- Supply Chain and Operations Management
- Corporate Social Responsibility (CSR)

06

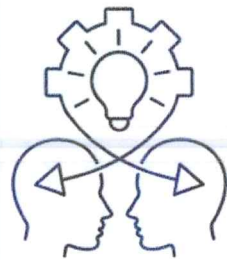

Social Sciences, Education, and Policy for Sustainability

- Education for Sustainable Development
- Public Policy and Governance
- Social Innovation and Community Development
- Ethics, Technology, and Society
- Digital Learning and Educational Technologies
- Linguistic and sustainable technologies

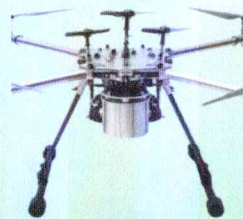

Objectives of the Conference

The conference aims to address key challenges in sustainability through collaborative efforts and innovative approaches.

shutterstock.com - 2646853483

Knowledge Exchange

Facilitate the exchange of cutting-edge research, innovations, and best practices in sustainability across disciplines.

Education & Awareness

Raise awareness about sustainability issues and educate participants on effective strategies for positive change.

Network Building

Create opportunities for researchers, practitioners, and policymakers to build lasting collaborations and partnerships.

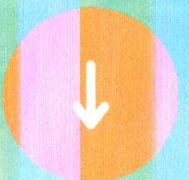

Global Impact

Develop actionable recommendations for policy and practice that can drive global sustainability transformation.

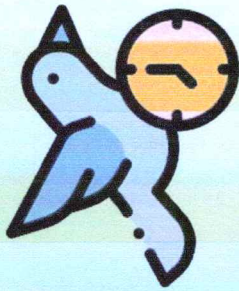

Innovation Showcase

Highlight innovative solutions and technologies that address pressing environmental and sustainability challenges.
