DIVISION MEMORANDUM

No. 212, s. 2026

PROJECT TEST: FINALIZATION AND DIGITIZATION OF TEACHING-LEARNING EVALUATION THROUGH STANDARDIZED TESTS

To: Assistant Schools Division Superintendents
Division Chiefs
All Public Elementary School Heads
All Public Secondary School Heads
All Others Concerned

1. The Schools Division of Bulacan announces the conduct of the division training entitled **Project TEST: Finalization and Digitization of Teaching-Learning Evaluation through Standardized Tests**, a three-day capacity-building activity for Regular and Special Curricular Programs in Elementary and Secondary Levels, and Strengthened Senior High School (SHS) science teachers. This activity is scheduled on **May 13–15, 2026**, at San Ildefonso National High School, San Ildefonso, Bulacan.
2. Considering the Philippines' continuing challenge in large-scale international assessments such as PISA, this training is anchored on strengthening teachers' competencies in designing high-quality, PISA-aligned, and SOLO-based assessment tools consistent with the Revised K to 12 Basic Education Curriculum. Project TEST aims to:
 - a. deepen participants' understanding of the SOLO Taxonomy as a framework for assessing cognitive complexity in science learning tasks;
 - b. enhance teachers' skills in crafting higher-order thinking skills (HOTS) assessment items aligned with curriculum standards;
 - c. analyze the structure and domains of the PISA Science Framework, including competencies and contextual applications;
 - d. refine and finalize PISA-aligned science test items integrating real-world contexts;
 - e. apply assessment strategies and rubrics that promote 21st-century skills and provide meaningful learner feedback;
 - f. digitize finalized assessment tools for pilot testing and classroom use; and
 - g. formulate action plans to ensure sustainability of standardized assessment practices in science education.
3. The participants of the activity are the teacher-writers from schools indicated in Enclosure 2. They are required to bring their laptops and pocket Wi-Fi to facilitate hands-on activities, item refinement, and digitization workshops.
4. Meal expenses of participants shall be charged against the Division INSET Fund, while transportation and other incidental expenses incurred by the participants in attendance of the said training shall be charged to local or school MOOE funds, subject to the usual accounting and auditing procedures.
5. Teacher-participants shall be granted Vacation Service Credits, in accordance with DepEd Order No. 013, s. 2024, entitled "*Revised Guidelines on the Grant of Service Credits for Teachers.*"
