1. In line with the Department of Education's commitment to ensuring equitable access to quality, relevant, and contextualized learning resources, and pursuant to Regional Memorandum No. 046, s. 2026 on the *Inspection and Delivery of Storybooks for Key Stage 1 and Materials for Reading Nooks*, all schools are hereby directed to establish, strengthen, and operationalize School Learning Resource Centers (LRCs) as functional learning hubs that support teaching, remediation, enrichment, and independent learning.
2. This initiative is anchored on existing DepEd policies on Learning Resources and the Learning Resources Management and Development System (LRMDS), and supports the purpose of the regional delivery, which is to strengthen Key Stage 1 implementation through the provision of quality-assured storybooks and reading nook that promote independent reading and improve foundational literacy.
3. In view of the ongoing delivery of Storybooks and Reading Nook, schools are hereby guided on the following:
 - a. Ensure the proper receipt, inspection, and documentation of delivered materials in coordination with the School Head, Property Custodian, and/or School Library-in-Charge;
 - b. Conduct immediate inventory and organization of materials upon receipt, ensuring alignment with LRMDS standards;
 - c. Integrate the delivered resources into the School LRC, ensuring accessibility and readiness for instructional use;
 - d. Coordinate with the Schools Division Office for any concerns related to delivery, completeness, or quality of materials; and
 - e. Prepare for division-level monitoring and validation, as part of the instructional supervision and LRC functionality assessment.
4. All schools shall establish a School LRC anchored on or integrated with the school library, serving as the central access point for learning resources. Schools without existing libraries may adopt flexible and context-responsive arrangements, including dual-purpose or multi-functional spaces, classroom-based reading corners, shared spaces, mobile systems, or digital/blended setups, provided that resources remain organized, accessible, and actively utilized.
5. The School LRC shall function as an instructional support system and be actively utilized in teaching-learning processes. Schools are encouraged to conduct at least one (1) Library Period per month per subject area, maximize the use of the LRC for reading, research, and intervention activities, and implement BASARAL PASAPORTE+ to monitor utilization and support data-driven decision-making.

6. The detailed operational, resource, and monitoring guidelines are provided in the attached enclosures to support schools in the progressive establishment and strengthening of their School LRCs.
7. Implementation shall be supported through coordinated monitoring and technical assistance led by the Division Learning Resources Management Section (LRMS), in coordination with Education Program Supervisors and Public Schools District Supervisors. The School LRCs shall be included in instructional supervision, school visits, and Top Management monitoring, with evaluation conducted in a developmental and supportive manner based on the level of LRC maturity of each school.
8. Schools are encouraged to establish recognition mechanisms for learners, personnel, and School Heads demonstrating exemplary engagement in reading and LRC utilization, including those achieving the "50 Reads Badge."
9. This Memorandum is issued in advance to allow schools sufficient time to plan, organize resources, mobilize stakeholders, and maximize the utilization of the delivered storybooks and reading nook materials as part of their School LRC implementation. All schools shall submit an initial School LRC Status Report on or before July 15, 2026, followed by quarterly updates.
10. Expenses relative to the implementation of this initiative may be charged against School MOOE, Division MOOE, and/or sourced from local government units and partners, subject to existing accounting and auditing rules and regulations.
