Subject: Proposal for supplying Creamline Ice Cream Products in Public School Canteen

Dear Sir Aquino,

We hope this letter finds you well. Rebisco through its subsidiary, SFI Multimix Corporation, manufacturer of Creamline Ice Cream would like to present a proposal to collaborate with the Department of Education to offer our range of delicious and affordable ice cream products in public school canteens within Central Luzon. Our goal is to provide students with a wholesome treat that offers both enjoyment and added energy during their school day.

Creamline Ice Cream is a trusted brand known for its high-quality ingredients and committed to product safety. We offer products that are enjoyable for students and meet the highest standards of food safety and quality. Our company has been DepEd partner in building classrooms, school feeding programs, sports activity (Volleyball) and others. Recently, DepEd and Rebisco forge a partnership to support public school learning programs that will collaborate to further nurture youth values formation through grassroots volleyball development".

Our objective is to promote student satisfaction and engagement by offering a well-loved treat like Creamline ice Cream that may enhance student's experience. Based on study, eating ice cream can improve mood and reduce stress. Some say that ice cream stimulates the release of "hormone of happiness". There are still many positive effects in eating ice cream.

In line with DepEd standards, Rebisco has carefully aligned its products with the DepEd food categorization guidelines (Red, Yellow and Green). We assure you that only products falling within the yellow and green categories are intended for placement in public school canteens.

Attached herewith are the list of products that fall under green and yellow classification. Likewise, letter response from DepEd Assistant Secretary for Operation, Dr. Dexter A. Galvan on our request letter.

We look forward to the opportunity to partner with Department of Education to enrich the experience of public-school students through Creamline Ice Cream's products.

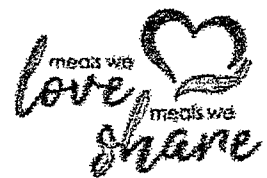

Hoping for your positive response to our proposal.

Thank you,

CERTIFICATION

TO WHOM IT MAY CONCERN,

This is to certify that the following **CREAMLINE CREAMY ICE CREAM** products comply with the DepEd Order No 13, S2017: Policy and Guidelines on Healthy Food and Beverage Choices in Schools and in DepEd Offices.

Creamline Creamy Ice Cream Products are manufactured by SFI Multimix Corporation, a business unit of the Rebisco Group of Food Companies. We take pride in the manufacturing of zero trans-fat yet deliciously creamy ice cream. Our ice cream products were analyzed by a 3rd party laboratory accredited by the Food and Drug Administration, SGS Philippines Inc., for its nutritional content.

In line with the guidelines on the Nutrition Facts Assessment for manufactured foods stated in the said Dep Ed order, the following 37 kinds of Creamline Creamy Ice Cream Products fall under the **GREEN** and **YELLOW** categories, which mean these products, can be sold in schools.

Below is the summary of Creamline Creamy Ice Cream nutritional content and its assessment based on DepEd's guidelines for your reference. For further clarifications, you may contact us as 8706-1010.

Hoping for your kind consideration.

Sincerely yours,

Aida R. Fucanan
