Subject: Letter of Intent to Supply Nutritious Food and Beverage Products to School Canteens

We respectfully submit this Letter of Intent to express our interest in supplying nutritious food and beverage products to school canteens under the Department of Education – Region III (Central Luzon).

Fresh Q Enterprises Corporation is a Bulacan-based food manufacturing company committed to producing innovative, nutritious, and affordable food products that promote healthier food choices among Filipino learners. As a beneficiary of the Department of Science and Technology (DOST) Region III, we continuously develop products that support nutrition, wellness, and food security initiatives within our communities.

Recognizing the Department of Education's commitment to promoting healthy eating habits and ensuring access to safe and nutritious food in schools, we would like to offer our products as suitable additions to school canteen operations throughout Region III.

Our flagship product, **Kamotee**, is a functional beverage derived from sweet potato leaves extract. The product was developed through technology from the University of the Philippines Diliman and supported by DOST-PCIEERD. **Kamotee** serves as a nutritious beverage alternative that supports wellness while providing learners with a refreshing and naturally derived drink option.

In addition, our product portfolio includes:

- Calamansi with Honey
- Calamansi with Honey and Moringa
- Calamansi FNRI (with Stevia)
- Mangosteen Juice
- Mango Juice
- Mangosteen Juice (blend of "Kamotee" & "Mangosteen")
- Passion Fruit
- Dalandan
- Tubig Talino (Purified Water – Iodine Fortified)
- Nutri Saba Baked Chips
- Nutri Calabaza Baked Chips Barbecue & Cheese
- Nutri Puffcorn Strawberry, Tablea Chocolate, Grape & Yogurt
- Nutri Cereal Oats Bar

These products are manufactured under stringent quality standards and are supported by the following certifications and credentials:

- DOST Assisted
- FDA Registered and Compliant
- Halal Certified
- Produced under Good Manufacturing Practices

Our products are specifically designed to provide healthier alternatives to commonly available snacks and beverages while remaining affordable, convenient, and appealing to students. We believe that making nutritious options readily available in school canteens contributes significantly to the development of healthy eating habits among learners.

In this regard, we respectfully request the opportunity to introduce our company and product line and explore possible areas of partnership in promoting healthier food choices within school communities. We are confident that our nutritious food and beverage offerings can serve as valuable additions to school canteens and support the Department's commitment to learner health and wellness.

Sincerely,
