CECILIA E. VALDERAMA, PhD., CESO VI
Schools Division Superintendent
Division of Bulacan

Dear Madam:

Warm greetings!

The Bulacan Private Schools Association, Inc. (BULPRISA) respectfully seeks the support of the Department of Education – Schools Division of Bulacan in the dissemination and endorsement of the BUPRISA Notice on Membership Fee to all private schools within the Province of Bulacan.

BULPRISA serves as a venue for cooperation, communication, and collective action among private educational institutions in the province. Through the association, private schools are provided opportunities to strengthen professional collaboration, share relevant educational practices and concerns, participate in programs and activities, and foster stronger coordination among school administrators and other education stakeholders.

The membership fee is an important component in sustaining the operations, programs, activities, and services of the association. The collective support of member schools allows BULPRISA to continue providing opportunities for professional engagement, information-sharing, capacity-building, and collaboration among private educational institutions.

In view of the foregoing, we respectfully request your good office to endorse and facilitate the dissemination of the attached BULPRISA Notice on Membership Fee to all private schools in Bulacan, for their information, consideration, and appropriate action.

We believe that the continued participation of private schools in BUPRISA will contribute to a stronger network of educational institutions and promote greater cooperation in addressing matters affecting private education. We likewise hope that, through the support of the Department of Education, our member schools and prospective members will be duly informed of the importance of sustaining their participation in the association.

We sincerely appreciate the continued support and partnership of the Department of Education in initiatives that contribute to the advancement of quality education in Bulacan. We look forward to your favorable consideration of this request.

Thank you very much for your valued support and cooperation.

Respectfully yours,

CYNTHIA B. ANGELES
President

BulPriSA LETTER

No. 003, s.2026

BulPriSA MEMBERSHIP FEE

To: BulPriSA Executive Officers
BulPriSA District and City Officers
Private School Heads
All BulPriSA Member Schools

Dear School Heads:

Greetings of peace and solidarity!

We would like to respectfully remind all private schools of their **annual membership fee** with our organization. We appeal for your kind cooperation in ensuring the timely payment of this fee as it serves as a vital contribution to the continued operation and delivery of services of the organization.

We would also like to clarify that **payment of the membership fee is required of all member private schools, regardless of whether or not a school participates in competitions and other athletic or academic activities organized by the association.** Membership in the organization is not limited to participation in competitions.

Our organization exists to represent, coordinate, assist, and serve the interests of private schools in matters related to the mandate and programs of the Department of Education (DepEd). Among the various activities and services undertaken by the organization are:

- Conduct of trainings, orientations, and capability-building activities for private schools;
- Participation and coordination in **DepEd Management Committee (MANCOM) meetings** and other relevant consultations;
- Assistance in the checking, validation, and processing of school forms and other required documents;
- Dissemination of important information, memoranda, policies, and directives from DepEd;
- Coordination and communication between private schools and DepEd offices;
- Representation of the concerns and interests of private schools in appropriate meetings and activities;
- Conduct of programs and activities intended to support the continuous improvement of private schools; and
- Other activities and services relevant to the operations, concerns, and mandate of private educational institutions.

Thus, the membership fee should not be viewed solely as a contribution for competitions. **It is a membership obligation that supports the organization's overall programs, coordination, representation, and services for the benefit of all private schools.**

We therefore earnestly request all school heads to settle their outstanding membership fees on or before deadlines. Your prompt compliance will help ensure that the organization can continuously perform its functions and provide the necessary support and services to all its member schools.

We sincerely appreciate your cooperation, support, and continued commitment to strengthening the private school sector.

Thank you very much.

Respectfully yours,

CYNTHIA B. ANGELES
President
