The **Bulacan State University Debate Society (BSUDS)** – a pioneer and premiere debate organization in the Central Luzon region recognized by the Office of Student Organizations and Activities (OSO) as one of the Outstanding Organizations within Bulacan State University (BulSU) – is an organization that aims to raise socio-political awareness and to spread critical thinking culture through debate and argumentation. Part of its legacy is to provide an avenue for students to develop their ability in reasonable judgment and speaking skills, gearing them up to be heard.

This academic year, BSUDS continues to uphold this legacy as it conducts the **18th Bulacan High School Debate Championship (BHSDC)**, embracing the theme “**Enter the Arena.**” The tournament shall take place on **February 13-14, 2027** on the premises of **Bulacan State University - Main Campus**, welcoming aspiring debaters from various high schools within Bulacan. This friendly competition aims to promote debate culture in Bulacan by providing an avenue for students to speak up about a range of societal issues. Furthermore, to help high school students prepare for the aforementioned tournament, BSUDS is proud to launch the first **Bulacan Interscholar Training**, a boot camp initiative that will take place on **December 12-13, 2026**. With the theme “**Get Ready For Battle**”, this initiative aims to make debate as accessible as possible and level the playing field as much as possible, especially for schools that have not participated before.

This letter humbly asks your good office to **publicly inform** the different schools within the Province of Bulacan regarding these events.

Your support to the Bulacan State University Debate Society in its endeavor to strengthen our society's thinking culture is highly appreciated. Thank you.

Respectfully yours,

JOHN RHODOLFO CRUZ
President, BSUDS 2026–2027
