DIVISION MEMORANDUM

No. 458, s. 2026

**REITERATION OF SUPPORT FOR THE IMPLEMENTATION OF THE
SCHOOL- BASED IMMUNIZATION (SBI) PROGRAM FOR SCHOOL YEAR
2026-2027**

To: Assistant Schools Division Superintendent
Division Chiefs
Public Schools District Supervisors
Public and Private Elementary and Secondary School Heads
All Others Concerned

1. Pursuant to the Department of Health (DOH) Department Memorandum No. 2025-0318 titled "*Revised Guidelines on the Implementation of School-Based Immunization for School Year (SY) 2026-2027*," the Department of Education (DepEd), in partnership with DOH and Local Government Units (LGUs), shall resume the implementation of School-Based Immunization targeting specific grade levels.
2. The School-Based Immunization program aims to protect school-aged children against measles, rubella, tetanus, diphtheria, and human papillomavirus (HPV), especially with the full return of face-to-face classes and the increasing risk of VPD outbreaks.
3. The following are the target beneficiaries and the schedule of the above-mentioned vaccines:

Target Beneficiaries	Vaccine	Schedule
All Grade 1 and Grade 7 Learners	Measles-Mumps Rubella and Tetanus Toxoid vaccine (MR-Td)	SBI will be implemented two (2) months after the start of classes , or as agreed upon by the DepEd and DOH.
Grade 4 and 5 Female Learners	Human Papillomavirus vaccine (HPV)

4. All schools are enjoined to fully support and facilitate the implementation of the School-based Immunization Program for SY 2026-2027. Thus, school heads must coordinate closely with LGU and DOH-designated vaccination teams to ensure smooth, safe, and effective immunization delivery and shall perform the following functions:
 - a) Disseminate notification letters and consent forms to parents upon enrolment or as early as possible.
 - b) Submit the master list of eligible learners to the local health center.
 - c) Ensure orientation of school staff and parents through meetings, flag ceremonies, and IEC materials.
 - d) Facilitate the setting up of vaccination sites within school premises in coordination with LGUs.
 - e) Assist in the distribution and collection of signed consent forms and support health screening on vaccination day.
 - f) Collaborate with the local health center and vaccination teams in recording vaccinated learners using DOH forms.
5. Moreover, it is reiterated that only students with duly accomplished consent forms will be vaccinated. Parents are also reminded to have their children bring their immunization cards or health booklets on the scheduled day, and a quick health assessment will be done before vaccine administration.
6. It is recommended that the conduct of school-based immunization activities be scheduled in a manner that will minimize disruption to regular classes and ensure the continuity of teaching and learning activities.
