1. The Curriculum Implementation Division, as the technical arm of the Schools Division Office of Bulacan in ensuring the effective delivery of the basic education curriculum, continuously undertakes Program Implementation Reviews to assess progress, identify gaps, and strengthen interventions toward improved learning outcomes. The Fourth Quarter is a critical transition period that marks the culmination of the School Year 2026-2027. This Program Implementation Review will serve as a platform for Education Program Supervisors and Public Schools District Supervisors to collaboratively evaluate the implementation of CID programs and projects — including Learning Recovery through ARAL, Literacy and Numeracy, Heat Index and Executive Order 130, s. 2026 Contingency Measures, Learning Resources Management, and other Curriculum Support Initiatives. More than a compliance activity, this meeting is a strategic pause to reflect, realign, and refocus our efforts to ensure that curriculum implementation remains responsive, resilient, and relevant amid emerging challenges in our educational landscape.

2. The Fourth Quarter Meeting of Education Program Supervisors, Public Schools District Supervisors, and other personnel from the CID shall be conducted on December 1, 2026 at DRT District, DRT, Bulacan.

3. The activity aims to:
   - evaluate the status of program implementation for the 4th quarter,

- consolidate accomplishments, issues, and best practices from the field,
- address challenges encountered during curriculum implementation, including class disruptions due to high heat index, and
- craft concrete action plans and technical assistance strategies for the remaining quarter. The collective insights from supervisors are vital in ensuring that programs are not only implemented but are felt by every learner in every classroom in SDO Bulacan.

4. Discussions Focus:
   - ARAL Program
   - Literacy and Numeracy
   - Heat Index and Executive Order 130, s. 2026
   - Contingency Measures, Learning Resources Management
   - Other matters

5. Participants in this activity are the education program supervisors, public schools district supervisors, and personnel from the ALS and LRMDS of the Curriculum Implementation Division.

6. This Memorandum shall serve as the travel authority of all participants.

7. Meal expenses shall be charged against the **DIVISION MOOE FUND,** subject to the usual accounting and auditing rules and regulations.

8. Immediate and wide dissemination of this Memorandum is desired.
