DR. CECILIA E. VALDERAMA, CESO VI
Schools Division Superintendent
Department of Education - Bulacan

Dear Dr. Valderama:

Greetings from the ***Department of Information and Communications Technology (DICT) – Region 3!***

As part of our continuing efforts to strengthen the capacities of the government workforce through ICT capacity-building initiatives, the DICT, through the ICT Literacy and Competency Development Bureau (ILCDB) – Bulacan Provincial Office, respectfully invites your office to nominate **qualified employees** to participate in each technical training scheduled as follows:

ACTIVITY DETAILS	INFORMATION	INFORMATION
Training Title	Ethical Hacking	Digital Services Governance and Management

Total Duration	20 hours	20 hours
Mode of Delivery	Online	Face-to-face
Venue	N/A (via google meet)	Digital Transformation Center, DICT Bulacan Provincial Office, Poblacion, Bustos, Bulacan
Required number of and target participants (per office)	3 participants This training program is suitable for the following individuals: 1. IT professionals interested in enhancing their security knowledge; 2. Network administrators and security analysts; 3. System administrators; and 4. Penetration testers	3 participants This training is designed for: 1. Individuals who formulate the strategy and plan associated with the continual performance management of the agency; 2. Individuals who manage or supervise the service delivery and support with ICTs; 3. Individuals who plan and implement the digital transformation program and projects; 4. Individuals who are tasked in the development

	1. Operate within Legal Boundaries: Strictly apply the rules of the Philippine Cybercrime Law (RA 10175) and Data Privacy Act (RA10173) during all security assessments. 2. Establish Safe Environments: Build and utilize isolated, virtualized "cyber ranges" to ensure no testing impacts production systems. 3. Execute Vulnerability Assessments: Conduct passive and active reconnaissance, scanning, and enumeration safely. 4. Understand Attack Mechanics: Demonstrate basic exploitation of common vulnerabilities in a controlled lab to understand threat impact. 5. Draft Professional Reports: Execute a coordinated vulnerability disclosure by writing actionable, professional security reports.	1. Determine, describe, document and demonstrate the key result areas (KRAs) and the key performance indicators (KPIs) of digital governance. 2. Understand the digital transformation technologies and disruptive management methodologies and their impact to the service delivery and support; 3. Understand and implement the practiced standards related to agile management and value-driven digital service management; and 4. Examine and acquire the digital transformative technologies that support the program outcome and agency compliance
Registration Link	https://bit.ly/TMDETHICAL	https://bit.ly/TMDBULSGM

Due to the limited number of slots, kindly ensure that the nominated representatives complete the Registration Form in the above-mentioned link **on or before November 10, 2026 (Tuesday), at 5:00 PM.** Our team shall send a confirmation of their participation.

For inquiries or further clarification, your office may contact our **DTC Bulacan Manager, Roselle Gennet Dalupang**, through email at **bulacan@dict.gov.ph** or mobile number **0960 304 3614**.

We look forward to your office's participation and support in achieving a knowledge-based, technology-driven and globally-competitive workforce.

Thank you very much.

Respectfully yours,
